

Artist: STEVE ASHLEY

Title : Live In Concert

'Steve Ashley - Live in Concert', featuring the talents of some British folk rock's finest and orchestra, showcases Ashley's memorable canon of work.

Guests include Fairport Convention's Simon Nicol, Dave Pegg and Chris Leslie, Decameron's Dik Cadbury and Al Fenn and Show Of Hand's Phil Beer, delivering quality performances.

The revisiting of original string settings arranged and conducted by Robert Kirby (Nick Drake, Paul Weller, Elton John) expand and enrich Ashley's more melancholic work here to memorable and dramatic effect.

Highlights include brand new song, 'Ships of Shame' and a distinctive new Kirby setting for the classic orchard song, 'Say Goodbye'.

Fifteen great tracks at mid-price make 'Steve Ashley - Live in Concert' a stocking-filler must this Christmas.
